GUNK® brand is built on a solid foundation of high performing products that solve the most difficult cleaning challenges. The heritage and strength are rooted in years of experience tackling the toughest oil, grease and dirt for jobs anywhere from your car or truck to your garage or shop.

LIQUID WRENCH® brand offers industrial-strength formulas that are designed to help professionals get the job done. Each product is designed for performance and driven by the latest chemical technology, with dependability and the highest standards of safety built right in.

TITESEAL® is the leading solution for tire leak repair and protective coatings. TITESEAL® is the go-to product when faced with a project or problem in which you need to seal, repair or protect whatever you are working on. Whether you’re at home, working in the garage or on the road, you can count on the performance leader in leak repair technology for results you can trust.
Greasy Engines. Rusted bolts. Flat tires. Everyone from professional tradesmen and technicians to weekend wrenchers and DIY’ers run into obstacles when working on projects at home or on the job. Our brands focus on developing products that tackle tough cleaning, lubrication and leak repair challenges that solve problems and help get the job done quicker.

Blumenthal Brands Integrated builds innovative, market-leading brand names for professional, industrial, and DIY applications by focusing on the end-users’ needs first. BBI partners with hundreds of customers around the globe to distribute these powerful, problem-solving brands through a wide and diverse range of distribution channels.
Since 1959, the GUNK® brand has focused on tough cleaners and degreasers. These products are designed for pro and DIY applications spanning everything from engines and outdoor equipment to shop surfaces and even your hands. The GUNK® brand was built on a solid foundation of high-performing products that solve the most difficult cleaning challenges. The innovation and strength come from years of experience tackling the toughest oil, grease, dirt and mud-covered jobs anywhere from your car or truck to your garage, shop, barn, facilities or fleet.

The performance-proven specialty lubricants and greases from the LIQUID WRENCH® brand help professionals solve problems that span extraordinary to everyday. Built on decades of American heritage, LIQUID WRENCH® products offer industrial-strength formulas that are designed to help automotive and industrial professionals get the job done. Each product is engineered for performance and driven by the latest chemical technology, with dependability and the highest standards of safety built right in. Innovating since 1941, LIQUID WRENCH® focuses on creating products that solve lubrication problems that span automotive, heavy duty, MRO, agriculture and home applications.

TITESEAL® is the leading solution for tire leak repair, protective coatings and industrial sealants. With a long history in leak repair technology, TITESEAL® is the go-to product when faced with a project or problem in which you need to seal, repair or protect what you are working on. Whether you’re at home, working in the garage or on the road, you can count on the performance leader in leak repair technology for results you can trust.
Since 1959, the GUNK® brand has focused on tough cleaners and degreasers. These products are designed for pro and DIY applications spanning everything from engines and outdoor equipment to shop surfaces and even your hands. The GUNK® brand was built on a solid foundation of high-performing products that solve the most difficult cleaning challenges. ### GUNK® Battery Terminal Maintenance

- Cleans and protects.
- Cleans battery terminals, connectors, battery tray and holder bolts and brackets.
- Ensures maximum current flow from the battery to the starter.
- Provides a protective barrier to inhibit corrosion of battery terminals and cable connectors.

The performance-proven specialty lubricants and greases from the LIQUID WRENCH® brand help professionals solve problems that span extraordinary to everyday. Built on decades of American heritage, LIQUID WRENCH® products offer industrial-strength formulas that are designed to help automotive and industrial professionals get the job done. Each product is engineered for performance and driven by the latest chemical technology, with dependability and the highest standards of safety built right in. Innovating since 1941, LIQUID WRENCH® focuses on creating products that solve lubrication problems that span automotive, heavy duty, MRO, agriculture and home applications.
**LIQUID WRENCH® Pro Penetrant & Lubricant powered by FlashSight™ Technology**

- Built-in LED FlashSight™ Technology for added visibility and accuracy in low-light areas.
- Ultra-fast rust penetration plus long-lasting lubrication.
- Locking on/off collar = no mess.
- Pro-Grade anti-seize formula.
- Features state of the art Cerflon® solid lubricant for superior anti-seize protection and long-lasting lubrication.
- 50-state compliant.
- Zero VOC formula.

**LIQUID WRENCH® Workhorse Multi-Purpose Lube**

- Stops squeaks and eases sticking parts.
- Penetrates, lubricates and protects.
- Soaks into gaps.
- Displaces moisture.
- Loosen stuck parts.
- Decreases noise, friction and wear.
- Leaves a thin wet film.
- 50-state compliant.

**LIQUID WRENCH® Penetrating Oil**

- Frees stuck nuts, bolts and locks.
- Dissolves rust and cuts through grease.
- Low odor, zero VOC formula and safe on painted surfaces.
- Features state of the art Cerflon® solid lubricant for superior anti-seize protection and long-lasting lubrication.
- 50-state compliant.

LIQUID WRENCH®
Rust Inhibitor

- Protects metal from high humidity, salt water, salt spray and sub-zero temperatures.
- No-mess film does not freeze, melt, dry or crack
- Penetrates, lubricates and displaces moisture.
- Features state of the art Cerflon® solid lubricant for superior durability and long-lasting lubrication.
- 50-state compliant.

LC9/6  9 oz.  6/case

LIQUID WRENCH®
Heavy Duty Spray Lubricant

- Reduces friction, wear, penetrates, lubricates, cleans and protects, prevents rust and corrosion.
- Highly efficient, multi-purpose lubricant containing PTFE.
- Micron-size particles of PTFE act like tiny "ball bearings" to significantly reduce friction and wear.
- Displaces moisture.

L508  6 oz.  12/case

LIQUID WRENCH®
Lock Lube & De-Icer

- Thaws frozen locks and prevents frost.
- Fast-acting dry formula; leaves no residue.
- Features state of the art Cerflon® solid lubricant for superior durability and long-lasting lubrication.
- 50-state compliant.

LLD03/6  3 oz.  6/case
**LIQUID WRENCH®**

**Lock & Hinge Dry Lube**

- Proprietary, metered nozzle means no overspray and no mess.
- Resists dust and dirt.
- Features state of the art Cerflon® solid lubricant for superior durability and long-lasting lubrication.
- 50-state compliant.

- Excellent resistance to washout.
- Superior rust and corrosion protection from fresh water, salt water, salt air and atmospheric chemicals.
- Special water-insoluble formula.
- Recommended for corrosive marine applications--trailer wheel bearings, water pumps, hinges, pins, winches, anchor chain reels.
- NLGI #2 Grease.

**LIQUID WRENCH® Multi-Purpose Grease**

- Versatile, long-lasting formula stays in place.
- Lithium-based formula for general automotive, industrial, agricultural & home applications.
- Inhibits rust and corrosion.
- Water-resistant.
- Cuts friction to extend life.
- Recommended for applications that do not require anti-wear or extreme pressure agents.
- NLGI #1.5 Grease.

**LIQUID WRENCH® Marine Grease**

- High film strength and extra tacky.
- Excellent mechanical stability, shock load protection & anti-wear properties.
- Anti-oxidants and corrosion inhibitors.
- Lubricates and stays in place under most severe operating conditions.
- Recommended for heavy loads, high temperature uses or extreme conditions in automotive, industrial & agricultural applications.
- NLGI #2 Grease.

**LIQUID WRENCH® Extreme Pressure Red Grease**

- Versatile, long-lasting formula stays in place.
- Lithium-based formula for general automotive, industrial, agricultural & home applications.
- Inhibits rust and corrosion.
- Water-resistant.
- Cuts friction to extend life.
- Recommended for applications that do not require anti-wear or extreme pressure agents.
- NLGI #1.5 Grease.

**LIQUID WRENCH® Multi-Purpose Grease**

**Anti-Seize Lube**

- Metallic formula that provides superior anti-seize protection.
- Enables easier, repeated assembly and disassembly.
- Prevents seizing, wear and tear, chafing and friction, and rust and corrosion caused by extreme heat, pressure, rust and other corrosive actions.
- Protects to 2000°F.

L808 8 oz. 12/case

**LIQUID WRENCH®**

**Dielectric Anti-Seize Grease**

- Dual purpose dielectric paste and anti-seize compound.
- Eases disassembly of parts.
- Protects against fretting and corrosion.
- Protects to 1800°F.

L803 3 oz. 12/case
SUPERIOR DURABILITY
#1 PREFERRED SIZE
TRADESMEN APPROVED

Designed to get the job done quickly, this multi-purpose lubricant stops squeaks, eases sticking parts, protects against rust and corrosion, and displaces moisture. This do-it-all item is ideal for lubricating and penetrating applications on the job. The convenient 8-ounce size easily fits toolboxes. Safe to use on all metal parts.

• Soaks into gaps & displaces moisture
• Frees stuck nuts, bolts and locks
• Long-lasting lubrication
• Protects against corrosion and dissolves rust
• Stops squeaks and decreases noise
• Defends against wear
• Safe on painted surfaces
• Low odor, ultra-low VOC
• 50-state compliant
• Lubricates sliding mechanisms such as rolling doors and window tracks
• Multiple applications including: small hinges, rusted nuts and bolts, locks, hand & electric garden tools, electrical appliances
TITESEAL® is the leading solution for tire leak repair, protective coatings and industrial sealants. With a long history in leak repair technology, TITESEAL® is the go-to product when faced with a project or problem in which you need to seal, repair or protect what you are working on. Whether you’re at home, working in the garage or on the road, you can count on the performance leader in leak repair technology for results you can trust.
### TITESEAL® Compact Tires
- Non-flammable.
- Tire sensor safe formula.
- Seals and inflates tires in seconds.
- Seals most punctures up to 3/16".
- Contains no hydrocarbon gas.

**TITESEAL®**

**Tubed or Tubeless Tires**
- Non-flammable.
- Tire sensor safe formula.
- Seals and inflates tires in seconds.
- Seals most punctures up to 3/16".
- Formulated for off-road equipment, lawn and garden, cart and trailer, turf equipment and ATVs.

M1107/6 14 oz. 6/case

Includes applicator hose

**TITESEAL®**

**Specialty Tires**
- Non-flammable.
- Seals and inflates tires in seconds.
- Temporarily repairs flats even while tire is still on equipment.
- Seals most punctures up to 3/16".
- For lawn and garden, cart and trailer, turf equipment and ATVs on wheels up to 13".

M1108/6 14 oz. 6/case

Does not include applicator hose

**TITESEAL®**

**Non-Stick Mower Spray & Protectant**
- Keeps grass, dirt and moisture from adhering to the underside of mower decks.
- Helps prevent rust.
- Makes cleanup easier.
- Designed with Cerflon®, ceramically-reinforced PTFE.
- Great for making chutes and moving parts of snow blowers non-stick.

MDS11/6 10 oz. 6/case

**TITESEAL®**

**Paintable & Rubberized Undercoating**
- Designed to protect the car body from rust and corrosion.
- Provides a tough, flexible, moisture-proof coating.
- Undercoating seals out moisture and dust.
- Petroleum-based.

Paintable

T1617R 16 oz. 12/case

Rubberized
Hold-Zit™ Rubber Tie-Down Straps

- Lifetime warranty.
- For DIY and PRO.
- Release hooks eliminate rope tying.
- Designed and molded of custom compounded rubber.
- Maximum safe stretch is 1½ times the relaxed length; i.e. R722B is 22 in. long and should not be stretched over 33 in.
- 9 inch – 41 inch straps with reinforced ends to prevent hooks from pulling out.

Hold-Zit™ Straps are scientifically designed and made in the U.S.A. of EPDM (Ethylene Propylene Diene Monomer) rubber for all-weather durability. Standard equipment on many trucks and trailers, they hold down tarps and other equipment. Reinforced ends help prevent hooks from pulling out. It’s used in preference to SBR (Styrene Butadiene Rubber) because of excellent flexibility at low temperatures and resistance to ozone and aging. Hold-Zit™ Straps come with a lifetime guarantee.

*Return damaged strap for FREE replacement to:
