# ABSORBENT

ABSORB10

**GUNK® ABSORBENT powered by INSTAZORB™** quickly and easily clean up all kinds of liquids and spills from any hard surface, leaving the surface clean and dry. This universal product absorbs liquids and semi-liquids (such as heavy greases) on contact and turns them into a solid that can easily be swept away. This industrial-grade, non-toxic product is great for use around the shop, garage, warehouse, barn, shed, home or anywhere that you need to tackle spills - big or small - with a complete and quick solution from the number one brand in tough cleaning since 1959.

## APPLICATIONS:

- 15X more absorbent vs. clay absorbents
- Quick and easy - pour, sweep and discard
- Leaves floors clean and dry with no slippery residue
- Lightweight for easy transport to spills
- 100% natural - Non-toxic / Environmentally safe
- Save on clean-up time - no water or soap needed
- Non-Flammable, Non-Static and Non-Abrasive
- Safer alternative - does NOT contain crystalline silica

**DIRECTIONS:** 1. Pour absorbent in a circle around the spill to contain it. Do not pour it on top of spill. 2. Using a stiff broom, sweep absorbent through the spill, back and forth with a swirling motion until the spill is totally absorbed and the floor is dry. 3. Pick up the saturated absorbent with a dust pan and broom, then dispose of it in a suitable container. 4. When using absorbent to absorb hazardous liquid, i.e. oil, fuels and petroleum-based products, consult the SDS (Safety Data Sheet) of the absorbed liquid to determine the disposal method as prescribed by state and federal regulations. Read SDS before using this product. SDS is available upon request, 704-821-7643 or at [www.GUNK.com](http://www.GUNK.com)

**HANDLING & DISPOSAL:** NON-FLAMMABLE, NON-TOXIC. Keep product out of eyes. Do not ingest. Inhalation of product may cause irritation to the nose, throat, and respiratory tract. Eye contact may cause irritation. Wear protective clothing appropriate for the spilled material. Particular care should be taken when cleaning up hazardous, flammable and/or toxic materials. **IF USED TO COLLECT FLAMMABLE LIQUIDS THEN CONSULT SDS OF FLAMMABLE LIQUID.** Used product should be disposed of in accordance with local, state and federal regulations.

**DANGER:** Corrosive! Avoid contact with skin and eyes! Harmful or fatal if swallowed! Vapor harmful! Eye and skin irritant!

**FIRST AID:** INHALATION: Move to fresh air. Drink water to clear throat and blow nose to evacuate dust. EYES: In case of eye contact, remove contact lenses if easy to do so. Flush eyes thoroughly with water for at least 15 minutes. If irritation persists, consult a physician. SKIN: Not applicable. INGESTION: Rinse mouth with water. Consult a physician if symptoms develop.

**KEEP OUT OF REACH OF CHILDREN AND PETS**
