## DEGREASING WIPES

EDW75

**GUNK® ENGINE DEGREASING WIPES** are an industrial-strength, no-rinse solution for degreasing all engines and tough to clean areas under the hood. This 2-in-1 solution offers and oversized, dual-textured wipe with no scratching, no rinsing, and no residue. These low-VOC, citrus-scented wipes are great for use on hard interior and exterior surfaces as well as safely cleaning your hands.

### GREAT FOR USE ON:

- Engines & Equipment
- Brakes & Parts Cleaning
- Tools & Machinery
- Garage Surfaces
- Hands
- Outdoor Equipment
- Hard Surfaces

**DIRECTIONS FOR DISPENSING** 1) Remove lid, Remove foil. 2) Pull towel from center and thread through "X" on underside of lid. 3) Close lid. Pull towel at 90-degree angle for easy dispensing. 4) Snap hinged cap into place to ensure towels stay moist.

**USE DIRECTIONS:** Unfold towel and use rough side to scrub area needing to be cleaned. Smooth side completes cleaning and removes residue. No need to rinse or dry hands. Discard in trash after use. Do not flush wipes.

**STORAGE, HANDLING & DISPOSAL:** Store at room temperature to minimize evaporation. Recyclable container. Dispose of product, container and residue according to all local, state and federal laws and regulations

**FIRST AID:** EYES: Flush thoroughly with water for 15 minutes while lifting eyelids and get prompt medical attention. SKIN: If irritation develops, get medical attention. INGESTION: DO NOT INDUCE VOMITING. Call Poison Control Center, Physician or Hospital Emergency Room immediately.

**KEEP AWAY FROM CHILDREN AND ANIMALS**
