RUST REMOVER

GRR1G

GUNK® Rust Remover is the safe and effective way to remove rust from metal without scrubbing. Will not harm surfaces including rubber, plastic, vinyl, PVC, aluminum, copper and brass. The pH-neutral formula is reusable, non-toxic, biodegradable, non-flammable and contains no VOCs.

APPLICATIONS:

- Fast Results
- No Scrubbing
- Inhibits flash rusting for weeks after use
- Biodegradable
- Non-Toxic
- Non-Corrosive
- Reusable

DIRECTIONS: Simply clean rusty items to remove dirt and oils before submerging object in the liquid. Rust severity will determine soak time which can range from hours to overnight for stubborn deposits. Objects treated with GUNK® Rust Remover can be towel dried or air dried and will resist flash rusting for weeks. GUNK® Rust Remover can be re-used until the solution is no longer active at removing rust.

WARNING: Causes skin and eye irritation. May be harmful or fatal if swallowed and aspirated into lungs.

STORAGE, HANDLING & DISPOSAL: Do not store below 32°F (0°C) or above 130°F (54°C). Avoid contact with eyes and prolonged contact with skin. Wear appropriate personal protection equipment (goggles, gloves, etc.). Dispose of product, container, and residue in accordance with all local, state, and federal laws and regulations. The residue resulting from removal of petroleum oils and greases may be considered a hazardous waste depending on where and how generated. The use of this product in watercraft procures a hazardous waste that cannot be discharged into any waterway. Disposal of contaminated rinse water into water courses, sewers, or on the ground may also be prohibited by law.

FIRST AID: EYE CONTACT: Flush with water for 15 minutes while lifting eyelids. If irritation develops, get prompt medical attention. SKIN CONTACT: Wash with soap and water. If irritation develops, get prompt medical attention. INHALATION: Move to fresh air. If breathing becomes difficult get prompt medical attention. INGESTION: Do not take internally. If swallowed, DO NOT INDUCE VOMITING. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
