ALL-PURPOSE DEGREASER

HDD17

GUNK® All-Purpose Degreaser Heavy Duty Foam is specifically designed to break up the toughest grease and oil on most surfaces. This heavy duty formula is safe for use on metals and most plastics in the garage or on tough jobs in the shop and around the house. Great for tools, shop surfaces, outdoor power equipment, skid steers and other heavy duty equipment.

APPLICATIONS:

- Clings & Penetrates
- Dissolves Tough Grease
- Great For Tools, Heavy Duty Equipment, Engines, Metal Surfaces, Floors and more.

DIRECTIONS: For best results, cover surface evenly with degreaser, let sit for a few minutes, scrub area, then wipe off or rinse with water. **IMPORTANT:** If using around sensitive electronics, cover all areas that require protection from moisture. Do not use on energized electric equipment. Before using product test a small, hidden area to verify the product is compatible with the surface being degreased (especially plastic or painted materials). Avoid using on asphalt, black top, or other surfaces affected by petroleum solvents.

STORAGE, HANDLING & DISPOSAL: Do not expose to heat, sparks, open flame, or store at temperatures above 122°F (50°C). Do not puncture or incinerate container. Do not expose the container to electrical connections or battery terminals as it may cause the container to rupture and result in serious injury. Use only in a well-ventilated area. The residue resulting from the removal of petroleum oils and greases may be considered a hazardous waste depending upon where and how generated. The use of this product to clean engines and bilges in watercraft produces a hazardous waste that cannot be discharged into any waterway. Disposal of contaminated rinse water into watercourses, sewers, or on the ground may also be prohibited by law. Such disposal is prohibited in California. Proper disposal includes collecting and evaporating rinse water and/or recycling and disposal of residues and the empty container in accordance with all local, state, and federal laws and regulations.

DANGER: FLAMMABLE AEROSOL. Harmful or fatal if swallowed. Use only in a well-ventilated area. Deliberately inhaling concentrated vapors can be harmful or fatal. Avoid contact with eyes and skin. Keep away from heat, sparks, and open flame.

FIRST AID: EYE CONTACT: Flush thoroughly with water for 15 minutes while lifting eyelids and get prompt medical attention. **SKIN CONTACT:** Wash with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION: DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician or Hospital Emergency Room immediately.

COMPLIES WITH CALIFORNIA'S VOC REGULATIONS

CALIFORNIA PROP 65 WARNING: This product can expose you to chemicals including diethanolamine which are known to the State of California to cause cancer, and toluene which are known to the State of California to cause birth defects or other reproductive harm.
