# LOCK & HINGE DRY LUBE

LH04

**LIQUID WRENCH® Lock & Hinge Dry Lube** with Cerflon® is a long-lasting lubricant that stops squeaks, cuts friction, and helps extend life and protects against wear. This dry lubricant formula also leaves no oily residue behind making this product great for a variety of indoor applications as well as outdoor.

**BENEFITS:** Lubricates with no oily residue • Soaks into gaps, displaces moisture • Provides optimal penetration • Reduces Friction • Use on all locks & hinges, latch assemblies, pad locks, hinge pins, combination locks, vehicle door locks, ignition locks, piano hinges and more.

**DIRECTIONS:** Spray onto the hinge or into the lock. Allow to soak into hinges, then just wipe off any excess. Get Safety Data Sheet via 704-821-7643 or [liquidwrench.com](http://liquidwrench.com). Remove extension tube and place in cap slot when not in use.

**STORAGE, HANDLING & DISPOSAL:** Do not expose to heat, sparks or open flame. Store in a cool, dry area below 120°F / 49°C. Do not puncture, crush or incinerate can. Dispose of product, container and residue according to all local, state and federal laws and regulations.

**DANGER:** EXTREMELY FLAMMABLE. Use only in a well-ventilated area away from heat, sparks, and flames. Do not place container in contact with hot surfaces, batteries or electrical current, because of risk of violent bursting and flash fire. Use added caution in confined areas such as basements and automobile compartments. **INHALING CONCENTRATED VAPORS, INTENTIONALLY OR OTHERWISE MAY CAUSE DEATH WITHOUT WARNING.** Harmful or fatal if swallowed. Eye and skin irritant.

**FIRST AID:** EYE CONTACT: Flush thoroughly with water for 15 minutes while occasionally lifting eyelids and get prompt medical attention. SKIN CONTACT: Wash thoroughly with soap and water. If irritation develops, get prompt medical attention. INHALATION: Move to fresh air. If breathing becomes difficult, get prompt medical attention. INGESTION: If swallowed, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

**CALIFORNIA PROP 65 WARNING:** This product can expose you to chemicals including naphthalene, which is known to the State of California to cause cancer, and toluene, which is known to the State of California to cause birth defects or other reproductive harm.
