LOCK & HINGE DRY LUBE

LIQUID WRENCH® Lock & Hinge Dry Lube with CERFLON® is a long-lasting lubricant that cuts friction, helps extend life and protects against wear. Leaves no oily residue. Easily applied one shot at a time using our exclusive CleanShot metered valve technology.

BENEFITS: Proprietary, metered nozzle means no overspray and no mess • Resists dust and dirt • Use on hinges, locks, latch assemblies, vehicle door locks • 50-state compliant

DIRECTIONS: Spray individual shots onto the hinge or into the lock. Allow to soak into hinges, then just wipe off any excess. Get Material Safety Data Sheet via 704-821-7643 or liquidwrench.com.

STORAGE, HANDLING & DISPOSAL: Do not expose to heat, sparks or open flame. Store in a cool, dry area below 120°F / 49°C. Do not puncture, crush or incinerate can. Dispose of product, container and residue according to all local, state and federal laws and regulations.

DANGER: FLAMMABLE. Use only in a well-ventilated area away from heat, sparks and flames. Do not place container in contact with hot surfaces, batteries or electrical current, because of risk of violent bursting and flash fire. Use added caution in confined areas such as basements and automobile compartments. **INHALING CONCENTRATED VAPORS, INTENTIONALLY OR OTHERWISE MAY CAUSE DEATH WITHOUT WARNING.** Harmful or fatal if swallowed. May irritate eyes and skin.

FIRST AID: EYE CONTACT: Flush thoroughly with water for 15 minutes while occasionally lifting eyelids and get prompt medical attention. **SKIN CONTACT:** Wash thoroughly with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION: DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

WARNING: This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.
