MOWER DECK SPRAY & PROTECTANT

MDS11OPE

GUNK® OUTDOOR EQUIPMENT MOWER DECK SPRAY AND PROTECTANT is designed to help prevent grass, dirt, and moisture from adhering to the underside of mower decks. This product also helps prevent rust and corrosion, while making cleanup easier. Also great for making chutes and moving parts of snow blowers non-stick.

BENEFITS: Slick coating prevents grass, dirt and snow from sticking to internal parts and surfaces • Built-in protection against rust and corrosion with Cerflon®, ceramically reinforced PTFE • Formulated to fight moisture from forming on metal parts • Saves time with easier and quicker clean-up

DIRECTIONS: Shake well before using. To make mower deck cleanup easier, apply liberally to underside of clean, dry deck. Allow a few minutes to dry before starting mower. After mowing, rinse deck and re-apply. For small area applications, apply Mower Deck Spray to a clean cloth and wipe area to be treated. Remove any overspray from floors to avoid slips or falls. Get the Safety Data Sheet via 704-821-7643 or www.gunk.com.

STORAGE, HANDLING & DISPOSAL: Do not expose to heat, sparks, or open flames. Store in a cool, dry area below 120°F/49°C. Do not puncture, crush or incinerate container. Dispose of product, container and residue according to all local, state and federal laws and regulations.

DANGER: EXTREMELY FLAMMABLE AEROSOL. FIRE AND EXPLOSION HAZARD: Use only in a well ventilated area away from heat, sparks and flame. Do not place container in contact with hot surfaces, batteries or electrical current, because of risk of violent bursting and flash fire. Use added caution in confined areas such as basements and engine compartments. **BREATHING & INGESTION HAZARDS:** INHALING CONCENTRATED VAPORS, INTENTIONALLY OR OTHERWISE MAY CAUSE DEATH WITHOUT WARNING. Harmful or fatal if swallowed. **DO NOT TAKE INTERNALLY.** **CONTACT HAZARD:** Avoid contact with eyes. Prolonged skin contact may cause dermatitis.

FIRST AID: **EYE CONTACT:** Flush thoroughly with water for 15 minutes while lifting eyelids occasionally and get prompt medical attention. **SKIN CONTACT:** Wash with soap and water. If irritation persists, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION:** **DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

CALIFORNIA PROP 65 WARNING: This product can expose you to chemicals including naphthalene, which is known to the State of California to cause cancer, and toluene, which is known to the State of California to cause birth defects or other reproductive harm.
