GUNK® Multi-Surface Cleaner & Degreaser is the safer way to clean without sacrificing power. Meet the new high-performance standard in safe cleaning. This multi-purpose formula is NSF registered and made with ingredients that meet U.S. EPA's safer Choice Standard. That makes this cleaner ideal for both home and industrial use, capable of cutting through stubborn grease, dirt and oil to clean a variety of surfaces including metal, plastic, aluminum, rubber and more. It's readily biodegradable; has no dyes and fragrances; and is safer for people, animals and the environment. Made with ingredients that meet U.S. EPA's Safer Choice Standard. Removing soils such as grease, dirt and grime makes disinfection programs more effective because it prepares surfaces for application of a registered disinfectant intended to kill biofilm.

BENEFITS: ● High performance multi-purpose cleaner ● Safer for people, animals and the environment ● Meets U.S. EPA Safer Product standard ● NSF registered (Nonfood Compounds A1, A2, A4, A5, A8) ● Ideal for home & industrial uses ● Readily biodegradable ● No dyes & fragrances

DIRECTIONS: Use GUNK® Multi-Purpose Cleaner at full strength or dilute with water according to application. Full Strength (heavy grease, oil & grime); Medium Duty (1:1); General Duty (1:4); Light Duty (1:50). Apply by spray, brush or clean cloth. Clean surface thoroughly and rinse with water or wipe with clean damp cloth to remove residue if required. Must rinse with potable water is used as nsf Category A1, A2, A5, or A8 cleaner. Use proper disposable gloves if cleaning potentially contaminated areas prior to disinfection. Wash hands after glove removal. **MAY BE HARMFUL IF SWALLOWED AND ENTERS AIRWAYS. MAY CAUSE EYE IRRITATION.**

STORAGE, HANDLING & DISPOSAL: Use according to directions. Keep from freezing. If product freezes, thaw at room temperature and mix before use. Wear appropriate personal protective equipment when removing soils that contain pathogens. Empty containers are recyclable. Dispose of used cleaning supplies in accordance with all federal, state and local requirements.

FIRST AID: If splashed in eyes, flush with water for 15 minutes and seek prompt medical attention if irritation develops. If swallowed, do not induce vomiting, call Poison Control Center, Physician, or Hospital Emergency Room Immediately. For safety data sheet (SDS) go to www.solvewithB.com.

KEEP AWAY FROM CHILDREN AND ANIMALS
