# INSTANT PARTS CLEANER & DEGREASER NON-CHLORINATED

Quickly cleans and degreases metal parts, tools & brakes. Powered by an ergonomic, high pressure trigger, the heavy-duty cleaning agent instantly removes oil, dirt build-up, varnish, sludge, grease, brake fluid, oil gum and varnish. Dries ultra-fast with no residue. Ideal for metal parts, tools, carburetors, air intakes, throttle bodies, brake drums, rotors & calipers. Brake pads or lining that have been damaged (impregnated) with oil or grease should be replaced, not cleaned. To help retard the release of asbestos dust and other airborne particulate matter, follow the DIRECTIONS for use carefully. Professional Users must read the SDS before using this product. Call 704-821-7643 or go to [www.gunk.com](http://www.gunk.com) for SDS.

**BENEFITS:** High pressure, ergonomic trigger reduces hand fatigue • No residue • Heavy duty cleaning agent • Ultra-fast dry time • No chlorinated solvents • 50-State compliant

**DIRECTIONS:** ALWAYS WEARE EYE PROTECTION WHILE USING THIS PRODUCT. Do not spray onto mass airflow sensors. They require cleaning with special solvents to ensure proper performance. **CARBURETORS AND THROTTLE BODIES** – With engine off and cool, clean the outside and linkages. Start the engine, and with the engine running – spray into and around throat to clean throttle plate area. Avoid spraying on plastic parts or electrical connections near or on the throttle body/air intake. Wipe excess spray off immediately if overspray occurs. **BRAKES** – turn off engine. Protect rubber or plastic brake parts, seals and painted surfaces from spray. Spray short bursts from a distance of 18-24 inches to wet parts. Continue spraying at a distance of 12-18 inches to flush contaminants from surface. Spray brake parts thoroughly and allow to air dry or wipe with a soft clean cloth. If deposits are heavy repeat application. **ALL OTHER METAL PARTS** – Spray and wipe or air dry. **WILL NOT HARM CATALYTIC CONVERTERS AND OXYGEN SENSORS. DO NOT SPRAY ON HOT METAL SURFACES LIKE EXHAUST PIPES.**

**STORAGE, HANDLING & DISPOSAL:** FIRE AND EXPLOSION HAZARD: EXTREMELY FLAMMABLE: Use only in a well-ventilated area with a constant flow of fresh air, preferably outdoors. Keep away from heat, sparks, flame, or any other source of ignition. Pilot lights of furnaces, hot water tanks, OR EVEN STATIC ELECTRICITY can ignite vapors explosively. Do not use in confined spaces, enclosed garages, basements, or low-lying areas where vapors can collect. Do not place can on hot surfaces or in direct sunlight which could cause can to burst violently. Keep can away from contact with electrical current or connections such as battery terminals because burn-through may occur. EXPLOSION OR FLASH FIRE FROM LIQUID OR VAPORS MAY CAUSE SERIOUS INJURY OR DEATH. Store in a dry, well ventilated area below 120°F(48°C). Do not puncture, crush, or incinerate (burn) can. **BREATHING AND CONTACT HAZARDS:** Do not breathe asbestos, dust particles, or vapors. Use NIOSH-approved respirator. Use only in a well-ventilated area with a constant flow of fresh air, and open doors and windows to prevent vapor buildup. **INHALING CONCENTRATED VAPORS, INTENTIONALLY OR OTHERWISE, CAN CAUSE BRAIN AND PERMANENT ORGAN DAMAGE OR CAN BE FATAL.** Avoid contact with eyes, skin, or clothing. Repeated contact may dry and defat the skin. Wear chemical-resistant goggles and solvent-proof gloves and apron. Remove contaminated clothing and wash before reuse. Remove contact lenses before use. Wash thoroughly after handling. May be harmful swallowed.

**FIRST AID:** EYE CONTACT: Flush thoroughly with water for 15 minutes while occasionally lifting eyelids and get prompt medical attention. SKIN CONTACT: Wash thoroughly with soap and water. If irritation develops, get prompt medical attention. INHALATION: Move to fresh air. If breathing becomes difficult, get prompt medical attention. INGESTION: DO NOT INDUCE VOMITING. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

**WARNING:** This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

**KEEP AWAY FROM CHILDREN AND ANIMALS**
