TOUGH SERIES™ GLASS CLEANER

TGC19

GUNK® Glass Cleaner - Tint Safe formulation is designed specifically to be truck tough and is a non-ammonia based glass cleaner that is safe for tinted windows. Its foaming action and high performance ingredients work to remove even the toughest bugs and road grime that can end up on windshields and windows. The unique formula leaves no film or residue behind. It does not streak and can be used for windshields, taillights, windows, mirrors, and other glass surfaces. Removes cleaning compound, polish spin-off, and masking tape residue from glass as well. Safe for Factory Tinted windows and aftermarket tinting films still under warranty.

APPLICATIONS:

- Foaming Spray Removes Dirt Build Up And Bugs
- Tint Safe

DIRECTIONS: Hold can upright; spray approximately 6 to 10 inches from surface; allow standing a few seconds, then wipe with paper towel, lint-free cloth or sponge. For use on glass only - DO NOT USE ON WOOD OR VARNISHED SURFACES.

STORAGE, HANDLING & DISPOSAL: Do not puncture or incinerate container. Do not expose to heat, sparks, open flame, or store at temperatures above 120°F/49°C. Dispose of container, residue, and excess product in accordance with all federal, state, and local laws and regulations.

DANGER: Irritating to eyes. May be harmful if swallowed.

FIRST AID: EYE CONTACT: Flush thoroughly with water for 15 minutes while occasionally lifting eyelids and get prompt medical attention. SKIN CONTACT: Wash thoroughly with soap and water. If irritation develops, get prompt medical attention. INHALATION: Move to fresh air. If breathing becomes difficult, get prompt medical attention. INGESTION: If swallowed, do not induce vomiting. Call poison control center, physician, or hospital emergency room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
