TAR-N-BUG REMOVER

TR1

Quickly removes sticky tar spots that can be picked up while driving. Dissolves tough bug deposits and removes other stains from all factory automobile finishes and chrome. MSDS are available at gunk.com.

APPLICATIONS:

- Safe On All Factory Finishes
- Removes Road Tar
- Cleans Bug Splatter

DIRECTIONS: Only use on surfaces that are cool to the touch prior to application. Pretest any aftermarket painted, varnished, lacquered, or plastic surfaces for possible damage before use. If sprayed on surfaces that show attack, do not rub surfaces, flush with water. Shake well. **TAR REMOVAL:** Lightly spray surfaces and let soak for 1-2 minutes. Next, spray clean cloth with Tar-n-Bug and rub away spots. Rinse with water. **BUG REMOVAL:** Lightly spray surface with Tar-n-Bug. With a damp cloth wipe away bug residue. For stubborn spots, spray Tar-n-Bug onto damp cloth to help with cleaning. Rinse with water.

STORAGE, HANDLING & DISPOSAL: Store in a dry, well ventilated area below 120°F. Do not puncture, crush, or incinerate (burn) can. Use and dispose of product, container, and residue in accordance with all local, state, and federal regulations.

DANGER: FIRE & EXPLOSION HAZARD: Use only in a well ventilated area away from heat, sparks, and flame. Ensure adequate ventilation especially in confined spaces such as enclosed garages, engine compartments of boats, vans, or other low-lying areas where vapors can collect. Do not place can on hot surfaces or in direct sunlight, which could cause can to burst violently. Keep can from contact with electrical current or connections (such as battery terminals) because burn-through may occur. **BREATHING HAZARD:** Do not breathe vapors, gas, or mist. Use only in well ventilated area. Open doors and windows to prevent vapor build up. **INHALING CONCENTRATED VAPORS INTENTIONALLY OR OTHERWISE CAN BE FATAL.** **CONTACT HAZARD:** Remove contact lenses before use. Avoid contact with eyes, skin, or clothing. Repeated contact may dry or defat the skin. Wash promptly with soap and water. Skin absorption through prolonged or repeated contact can result in organ damage. Remove contaminated clothing and wash before reuse. Do not take internally.

FIRST AID: EYE CONTACT: Flush thoroughly with water for 15 minutes while lifting eyelids and get prompt medical attention. **SKIN CONTACT:** Wash with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION:** DO NOT induce vomiting. Call Poison Control Center, physician, or hospital emergency room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
