TRUCK WASH CONCENTRATED

TW64

GUNK® Truck Wash concentrated formulation is designed specifically to be tough and produces a heavy foam solution that clings onto dirt, mud, clay and road salt that can build up on your Truck or SUV. It works into the grit to lift up those residues from the surface and rinse them away. This formula is tough enough for any Truck, wherever you may drive it but is also safe for all clear coats and will leave your vehicle looking refreshed.

APPLICATIONS:

- Removes Tough Dirt And Mud From A Truck Or SUV
- Clear Coat Safe
- Foam Carries Away Particles That Cause Scratches And Swirls

DIRECTIONS: 1. Use on a cool Truck or SUV, preferably in the shade. 2. Pre-rinse car with water from a hose to remove heavy dirt, mud or clay. 3. Pour 1 to 10 ounces of concentrate into a bucket and mix with heavy jet of water. 4. Apply heavy suds with sponge, mitt, or microfiber to one section of the Truck at a time, working from top to bottom. Rinse each section promptly with a steady stream of water. 5. When washing is completed, rinse entire Truck or SUV one last time. After most of the water has drained off, dry using a soft microfiber, cotton towel or chamois to remove remaining water beads.

DANGER: Eye irritant – avoid eye contact.

FIRST AID: EYE CONTACT: Flush with water for 15 minutes while lifting eyelids. If irritation develops, get prompt medical attention. **SKIN CONTACT:** Rinse with water. If irritation develops, wash with soap and water. If irritation persists, get prompt medical attention. **INGESTION:** If swallowed, DO NOT INDUCE VOMITING. Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
